6 as needed before, during, and after the hearing to attempt to resolve any disputes amongst
7 the parties. The parties and potential parties shall also keep all other parties and potential

10 repetitive evidence, and any unfair advantage from surprise.

11 9. Parties and potential parties shall not communicate with any Member of the
12 Committee about any procedural matters, or any factual issues or legal issues relating to the
13 Application, while the Application is pending before the Committee. The only exception is

18 Communication by the parties with the Chairman about any procedural matter during the
19 time an Application is pending shall be in writing or, if oral, shall be memorialized by an e-
20 mail or other written summary with a copy of the written communication or summary to all
21 parties and potential parties, or shall be on the record at pre-filing conferences, at pre-
22 hearing conferences, or at the hearing on the Application. Any party who initiates any
23 written communication sent to the Chairman, or who summarizes an oral communication
24 with the Chairman on a procedural matter, shall file with Docket Control a copy of the
25 communication or summary, including its distribution list, within 10 days of sending the
26 written communication or making the oral communication.

27 10. Parties and potential parties shall not communicate with any Commissioner
28 of the Commission concerning the substantive merits of the Application while the

1 Application is pending before the Committee, in accordance with the requirements of
2 A.A.C. R14-3-113.

4 potential parties shall serve upon the Chairman as soon as practicable, and at least forty-
5 eight (48) hours before the hearing or meeting described in the agenda, any objections,
6 additions, or corrections to the agenda they believe are necessary in order to bring the
7 agenda into compliance with A.R.S. § 38-431.02. The objections, additions or corrections
8 shall be in writing and shall be served upon all other parties and potential parties. A copy
9 shall be filed with Docket Control. Objections that are not timely raised will be deemed
10 waived.

11 12. Service of any pleading, document, or writing upon the Chairman may be
12 made electronically to the e-mail address of the Chairman below. Service of any pleading,
13 document or writing upon parties and potential parties may be made electronically to the e-
14 mail address of the parties and potential parties. Any pleading, document or writing filed
15 with Docket Control shall include the appropriate number of copies as determined by
16 Docket Control.

17 13. All parties and potential parties shall file with Docket Control and exchange
18 with all other parties and potential parties brief summaries of the expected direct testimony
19 of each witness they will call. In lieu of a testimonial summary, a party or potential party
20 may file with Docket Control and exchange with all other parties and potential parties all or
21 substantially all of the direct testimony of any witness. In either case, whether testimonial
22 summaries or direct testimony, the parties are expected to present live testimony regarding
23 the matters set forth therein. Testimonial summaries and direct testimony shall be filed
24 with Docket Control and exchanged with parties and potential parties by 5:00 p.m. of the
25 day before the pre-hearing conference set below. Except for good cause, no witness will be
26 allowed to testify on direct examination concerning issues not reasonably identified in the
27 testimonial summary and direct testimony.

28 14. All parties and potential parties shall meet, confer, and exchange all exhibits

1 the party or potential party plans to offer in evidence by 5:00 p.m. of the day before the
2 pre-hearing conference set below. The Applicant shall, and other parties and potential
3 parties may, provide one or more three-ring binders for the Chairman and each Member of
4 the Committee to hold exhibits at the beginning of the hearing and as needed during the
5 hearing. Each party and potential party shall prepare for the Chairman and each Committee
6 Member a numbered list of the exhibits and a copy of all exhibits suitable for placement in
7 the binders that each party and potential party expects to offer in evidence at the hearing.
8 The exhibits shall be provided to the Chairman and each Committee Member at the
9 beginning of the hearing and during the hearing before reference to the exhibit is made in
10 the hearing. In lieu of copies of exhibits in paper format, Applicant may provide the
11 Chairman and each Member of the Committee a laptop, tablet or iPad loaded with
12 electronic copies of the exhibits. Except for good cause, no exhibit that was not exchanged
13 with the other parties shall be considered at the hearing. Any exhibit to which reference is
14 made during any hearing that is not offered or admitted into evidence shall be provided to
15 the court reporter at the hearing for inclusion in the record, unless it is withdrawn and the
16 Chairman determines its filing is not necessary to an understanding of the actions of the
17 Committee.

18 15. All exhibits shall be consecutively numbered, with the Applicant's exhibits
19 denominated: OM-1, OM-2 etc. Each intervening party will be assigned by the Chairman a
20 letter or letters of the alphabet as a preface with which to consecutively number its exhibits.

21 16. The Applicant shall create an exhibit summarizing all public outreach efforts
22 concerning the Application, with representatives of federal, state and municipal bodies and
23 the general public, and all comments received as a result of such public outreach, including
24 comments received at meetings, through comment cards, emails, phone calls, faxes,
25 correspondence, social media and through the Applicant's website. Applicant shall
26 exchange the exhibit with all parties and potential parties and the Chairman by 5:00 p.m. of
27 the day before the pre-hearing conference set below.

28 17. The Applicant may make an opening statement at the beginning of the

1 hearing of no more than thirty (30) minutes. Each other party may make an opening
2 statement of no more than five (5) minutes.

3 18. Public comment will be heard after the opening statements and at other times
4 set by the Chairman during the hearing. See ¶ 4 above.

5 19. No tour of the Project Area is planned by the Committee at this time. If the
6 Chairman later decides to conduct a tour, the Applicant shall provide notice that includes a
7 map and itinerary of such tour, and will make the notice available at the hearing and shall
8 post the same on the Project and ACC websites. In the event the Chairman determines that
9 a tour or tours of the proposed locations of facilities proposed in the Application is
10 appropriate, the Applicant shall arrange for transportation for Committee Members who
11 wish to attend. The Applicant shall submit to the Chairman, before the pre-hearing
12 conference set below, a schedule and protocol agreed to by all parties and potential parties
13 for each tour. If all parties and potential parties do not agree upon the schedule and
14 protocol for each tour, the disagreements shall be submitted to the Chairman for resolution.
15 The protocol shall identify the tour route, identify the location of any stops, and identify
16 any witnesses who will accompany each tour. Counsel may ask brief explanatory questions
17 of the identified witness or witnesses during the stops about the location, what can be seen
18 from the location of the stop and the relevance of the location or view to the Application, at
19 the discretion of the Chairman. All witnesses who testify on each tour shall be sworn
20 before their testimony. All questions and answers shall be before a court reporter. No
21 testimony or discussion with or between Committee Members about the merits of the
22 Application will take place, except on the record before a court reporter at the designated
23 stops. The protocol shall provide for access to members of the public to any testimony
24 presented at stops on each tour. Members of the public who wish to observe the tour are
25 encouraged to notify the Applicant or the Chairman in advance of their intention to follow
26 and observe the tour.

27 20. Parties may present their witnesses in panels where appropriate. A party or
28 potential party who intends to present witnesses in panels shall identify the members of any

1 panel at the time it files its testimonial summaries or direct testimony.

2 21. The Applicant shall make arrangements for the preparation of expedited
3 court reporter transcripts of all pre-filing conferences, all pre-hearing conferences, and the
4 hearing, so that the transcripts are available for public inspection within three working days
5 after each hearing date, as required by A.R.S. §§ 38-431.01(D) and 40-360.04(C). In
6 addition, the Applicant shall file a certification with Docket Control that it has provided a
7 copy of the transcripts to two public libraries identified in the certification that are in the
8 vicinity of the proposed route and alternates in the Application. The Applicant shall also
9 post the transcripts on the Applicant's project website at: www.obedmeadowsolar.com.
10 Transcripts shall remain on the Applicant's project website until 30 days after the final
11 decision has been issued by the Commission.

12 22. At or before the pre-hearing conference set below, the Applicant shall, and
13 the other parties and potential parties may, file proposed findings of fact, proposed
14 conclusions of law, the wording of any proposed certificate of environmental compatibility,
15 and the wording of any proposed conditions to the certificate.

16 23. If the beginning of closing arguments and the Committee's deliberations are
17 more than one week after the beginning of the hearing, the parties shall meet and confer
18 before closing arguments, concerning proposed findings of fact, proposed conclusions of
19 law, a proposed certificate of environmental compatibility and the wording of any proposed
20 conditions to the certificate. If the parties are able to agree upon part or all of the proposed
21 findings of fact, proposed conclusions of law, proposed forms of a certificate of
22 environmental compatibility and proposed wording of conditions to the certificate, all that
23 is agreed upon should be reduced to writing and filed. If the parties are not able to agree
24 completely, the Applicant shall, and all other parties may, file proposed findings of fact,
25 proposed conclusions of law, proposed wording of a certificate of environmental
26 compatibility and proposed wording of conditions to the certificate on the day before the
27 beginning of closing arguments and the Committee's deliberations.

28 24. If the Applicant or any other party proposes conditions based upon conditions

1 used in prior cases, each proposed condition from a prior case shall contain the case
2 number of the most recent prior certificate of environmental compatibility using the
3 language approved by the Commission. Any proposed additions, deletions or modifications
4 to the language approved by the Commission for each prior condition shall be designated
5 using the "Track Changes" function.

6 25. All pleadings, testimonial summaries, direct testimony, proposed findings of
7 fact, proposed conclusions of law, proposed certificates of environmental compatibility and
8 proposed conditions of certificates that must be filed pursuant to this Procedural Order or
9 otherwise by law, shall be filed with Docket Control. Copies of all documents described in
10 this paragraph that are filed with Docket Control shall be served upon the Chairman, the
11 Committee, all parties, and all potential parties. Before the hearing, documents may be
12 served upon parties and potential parties electronically to the e-mail address or FAX

17 Chairman for distribution to the Committee, and a copy shall be sent electronically to the e-
18 mail address of the Chairman.

19 26. If the final wording of the certificate of environmental compatibility that is
20 adopted by the Committee at the end of the hearing is in dispute, the Chairman may order
21 the parties to meet and confer in person or electronically to determine if they can agree
22 upon the final wording of a proposed certificate of environmental compatibility. If the
23 parties can agree upon the final wording of a proposed certificate of environmental
24 compatibility, Applicant shall forthwith hand-deliver the agreed-upon proposed certificate
25 of environmental compatibility to the Chairman for signature. If the parties are not able to
26 agree upon a proposed form of certificate of environmental compatibility, the Applicant
